Hi Fred and Victor,

I hope you are doing well.

Last week then again today I went through 311.

No DTLA CARE + photos for 10/26 and 10/27.

Numerous CARE photos for locations for several days last week.

All CARE+ photos are there for 10/29.

I dont know if staff aren't uploading or there is a glitch but this is an ongoing issue.

Is there a clerical staff that can cross reference 311 photos with your work day completion reports?

I know you're busy doing this type of record management and quality assurance but we need a solution.

Thanks,
